Canadian Music Hall of famer Steven Page has been a recognizable voice in popular music since the early 1990's when he broke into the music scene with his former band, Barenaked Ladies. Steven continues to release original music, has toured extensively in Canada, the US and UK with his Steven Page Trio bandmates and has immersed himself in an extensive array of creative projects in music, film, theatre and television. After his 2020 concert tours and the debut of his Stratford Festival musical, HERE'S WHAT IT TAKES, were pushed back due to Covid 19, Steven rebounded with his popular weekly LIVE FROM HOME performances almost every Saturday night via Zoom. Symphony shows with the PEISO, HPO, SNB and VSO have already taken place with many more in the planning stages.

Steven plans to release new music in early 2022.
